M.Thenmozhi is a Professor in Finance in the Department of Management Studies of Indian Institute of Technology Madras, Chennai with more 31 years of academic experience. She has also been the Director of National Institute of Securities Markets, Mumbai during April 2018 to Aug.2019. Prior to joining IIT Madras, she was working as a Faculty in the Management Division of the Department of Industrial Engineering and Management at Anna University, Chennai.

She was ranked in top 100 Women in Finance in India in 2019 by AIWMA. She is an Executive Endeavour Fellow (2007) of the Australian Government and a recipient of Fulbright-Nehru Visiting Lecturer Fellowship (2011) and European Union Erasmus Mundus Scholarship (2009). She is a National Award Winner (2003) for developing the best manufacturing policy draft for India and the award was given by the former Prime Minister Shri. Atal Bihari Vajpayee at the National Manufacturing Sector Policy Competition organized by the Federation of Indian Chambers of Commerce and Industry (FICCI) and We Think for India (WTI) Forum. She is a recipient of EXIM Bank Chair Professorship (2016) in Finance offered by Indian Council for Cultural Relations, Ministry of External Affairs, Government of India. She has international teaching / research experience with Queensland University of Technology (2007), Australia, La Universidad Politécnica de Madrid (UPM) (2009), Spain, University of Passau (2010), Germany, San Diego State University (2011), USA and Lagos Business School (2016), Nigeria.

At IIT Madras, she was heading the Finance Division (Area) for more than 13 years and has made significant contributions through various administrative assignments and responsibilities. At the Policy level, she is a member of the Senate at IIT Madras, member of Board of International and Alumni Relations (2014-18) and has been member of Board of Academic Courses (2012-14), Board of Academic Research(2009-11), Board of Infrastructure and Planning(2004-10), Library advisory committee(2001-06,2007-08,2008-09) and Research Fund Committee, ICSR(2013). She led various assignments by heading activities such as Chairperson MBA Programme (2014-16), Chairperson DoMS Research Programme (2012-14 and Chairperson of Curriculum revision committee (2010-11, 2012-13). She has been a member of several Committees such as Executive Committee of Women's Forum (2007-08, 2009-10, 2011-12, 2013-17), Women's Grievance cell (2001-02,

2008-09, 2009-10), Curriculum Revision Task Force Committee (2005), Disciplinary committee, Core Committee on Web based Education (2000). She was instrumental in initiating and organising various academic, welfare and cultural activities for faculty members as Secretary (2004-05), Vice-President (2005-06) and President of IIT Madras Faculty Association (2006-10) and as President of All India IIT Faculty Federation (2008-10). She was a Senate member of IISER (2018-20), Trivandrum, member of the Equity Derivatives Governing Council Board of Madras Stock Exchange (2012) and member of Research Advisory Committee (2019) of SEBI.

As Director of the National Institute of Securities Markets, an educational institute of Securities Exchange Board of India, initiated a strategic shift in academics, training and administration, started high end leadership development programmes for Board of Directors of Companies, developed new industry collaborations for short term training and international capacity building programmes, enhanced the research focus on securities market, regulations and governance and organised several Workshops on latest regulations to connect regulators and complaints' to deliberate on it in the same platform. The major outcomes include new programmes and certifications, professional and transparent administrative systems and processes, enhanced quality of programme delivery and content development in academic and capacity building programmes and research dissemination through conduct of conferences and execution of SEBI research projects.

As on 31st July, 2020, she has guided 2 post doc, 17 Ph.D and 9 M.S. scholars and has published more than 30 papers in International Journals and 51 in National journals and has more than 110 International Conference papers and 48 National Conference papers. She has published papers in journals like Pacific Basin Journal of Finance, Emerging Market Review, Research in International Business and Finance, Neural Computing and Applications, Management Decision, International Journal of Banking, Accounting and Finance, International Journal of Emerging Markets, Decision, IIMB Management Review and Journal of Emerging Market Finance.

Her research focus is more on applied and policy implications-based research in the domain of corporate finance, market microstructure and financial time series modeling. She has developed hybrid AI and Support Vector Machine based forecasting models for stock market trading and investing, models to test information transmission between markets, determinants of ETFs performance, Commodity market price discovery, impact of family and promoter driven firm's governance and country level determinants of FDI and Cross border acquisitions. She has won several best research paper awards for her research work both at the national and international level.

She has executed sponsored projects for CTS, TCS, National Stock Exchange, Multi-Commodity Exchange of India(MCX), HUDCO, ICAI and AICTE. She is known for her customised skill based executive development programmes for various companies such as L&T (PT&D), Flsmidth, GMMCO, Wipro, CTS, NTECL, CPCL and NLC. She has also developed e-learning modules in WebCT, Authorware Professional and NPTEL.

Her Faculty development Programmes / Workshops are on contemporary issues aimed at development of high quality researchers in finance. She is in the Advisory Board/Committee of a few other educational institutions and involved in various professional contributions to other Colleges, Universities and other Higher Education Institutions.
