Department of Management Studies, IIT Madras is pleased to announce the completion of a highly successful summer internship placement season for its MBA students. We express sincere gratitude to our valued regular recruiters and renowned first-time recruiters for having shown faith in DoMS-IITM.

The summer internship placement process was conducted from October 2021 onwards and witnessed over 23 companies recruiting for a wide variety of profiles from the campus. The recruiters were overwhelmed with the quality of the program and the skill set of the participating students.

Overall, the placement process received active participation from companies across all domains, ensuring ample choice for the candidates to pursue careers in the field of their preferences.

The diverse profiles offered by the companies to the batch is evidence of the quality and efforts of DoMS. We are grateful to the recruiters for reaffirming their faith in the talents developed by the DoMS MBA program.

We also thank our faculty members and alumni for their extensive support in making the summer internship process a huge success.

PLACEMENT OFFICER

This placement season has taken the Department of Management Studies, IIT Madras to new heights with its best performance to date under record placement time.

We are thankful to the new entrants such as Morgan Stanley, HSBC, Abbott, Latent View and many more.

The season also witnessed several regular recruiters like McKinsey, Accenture, DELL, GAVS and others, strengthening their existing long term ties with the department.

We aim to continue the growth in the years to come.
