# SUMMER INTERNSHIP REPORT

BATCH OF 2019-2021

## Message from Placement Desk

Department of Management Studies, IIT Madras is pleased to announce the completion of a successful placement season for its MBA Batch of 2019-2021 for Summer Internship Program (SIP).

The placement season witnessed enthusiastic participation from over 25 organizations offering Internships for a wide variety of profiles. Top recruiters included McKinsey, Dell, Tiger Analytics, RBS, ITC Hotels and Maersk, representing industrial domains such as Business Consulting, BFSI, Logistics, IT/ITES, Business Analytics and Hospitality to name a few.

The diversity in students' profiles – for eg. gender and academic background, was a differentiator this season. DoMS IIT Madras, is one of the most academically diverse b-schools in India this year, with more non-engineers than engineers in the Class of 2021. While the quality of the programme impressed all recruiters, the dominant women population was seen as a great progress towards gender equality in the corporate world and well appreciated by all the companies associating with DoMS IIT Madras this year for SIP.

# MBA Batch Profile

The MBA Batch of 2019-21 at DoMS, IIT Madras consists of 60 candidates from across India, and it has one of the largest group of women (68%) among the elite management institutes of the country. The batch has students coming from diverse disciplines including the Armed Forces, Law, Pharmacy, Architecture, Chartered Accountancy, Fashion Design, Fashion Technology, Engineering, Commerce and Arts, creating a rich pool of knowledge unlike any other colleges in India.
