Lets hear the experience of EMBA class of 2020,

Netra Krishnan, Data Scientist
Tiger Analytics

EMBA @ IIT-M is a perfect programme with the academic rigor of a regular MBA combined with continual application of industry experience. The high-profile academic staff, content rich curriculum and well-diversified cohort enables an environment to learn effectively.

Pranavii P, IT Analyst
Tata Consultancy Services

Experiencing peer learning synergy through cross-industry experts.

Krishnan Lakshmanan, Project Manager
Infonovum Technologies Pvt. Ltd.

The course enables you to connect horizontally across management disciplines to get a holistic view. The benefit of doing an MBA without a career break and applying your learning in work place to add value is immensely satisfying. Definitely this course has brought a new perspective to business understanding.

Jayapratha P, IT Analyst
Tata Consultancy Services

EMBA is well designed with passionate professors enriching management skills for working professionals.

Anand Manoharan, Director
The Child's Trust Medical Reserch Foundation

A fantastic program which appeals to inter-disciplinary professionals who aspire to equip themselves with the basics and wish to obtain advance skills in various facets of business administration.

Sindhuja V, Engineer
Caterpillar India Pvt. Ltd.

Great learning experience.

Moni Jaiswal, Senior Consultant
Mercedes Benz Research & Development

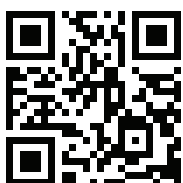

You live only once - live it @IITM. A perfect blend of diverse students, excellent faculty members, rich course, and lovely campus. An experience enriching us with vision and confidence to be the best managers.

Abhiram TS, Senior Analyst
Standard Chartered Bank

A well-organized program to develop business skills and achieve accelerated career growth.
