Department of Management Studies, IIT Madras is pleased to announce the completion of a highly successful placement season for its MBA, TechMBA and M.S.(Research) students.

The final placement process was conducted from December 2022 onwards and witnessed over 26 companies recruiting for a wide variety of profiles from the campus. The recruiters were overwhelmed with the program's quality and the participating students' skill sets. The placement process received active participation from companies across all domains, ensuring more choices for the candidates to pursue careers in the field of their preferences.

We express our sincere gratitude to our renowned regular as well as first-time recruiters for having shown faith in DoMS, IIT Madras. We wish our graduating students immense success in their upcoming careers.

“ Placements are all about opportunities and we are glad to share that this placement season has taken the Department of Management Studies, IIT Madras to great height with its best performance to date under record placement time. We are thankful to the new recruiters such as PFC, P&G, Mphasis, India Mart along with our regular recruiters like McKinsey, Accenture, DELL, CISCO, Deloitte, IBM and others, for strengthening their existing long term ties with the department. Efforts were made to maximize opportunities for students as well as recruiters by enhancing transparency and proper scheduling so that there are greater chances of selecting the right fit. We aim to continue the growth in the years to come and provide our students with breakthroughs to their great success. ”
