Introduction

Quiet excellence demonstrated

Our official motto and north star, these three words lace the spirit of everything we do: **Curriculum depth, cohort selectivity, and recruiter partnership** built on outcomes.

In the placement season of 2025, we are pleased to announce that the Department of Management Studies, IIT Madras has held placement and compensation benchmarks that reaffirm our position as one of India's elite business schools.

MS-PhD & Tech MBA Statistics

2023-25

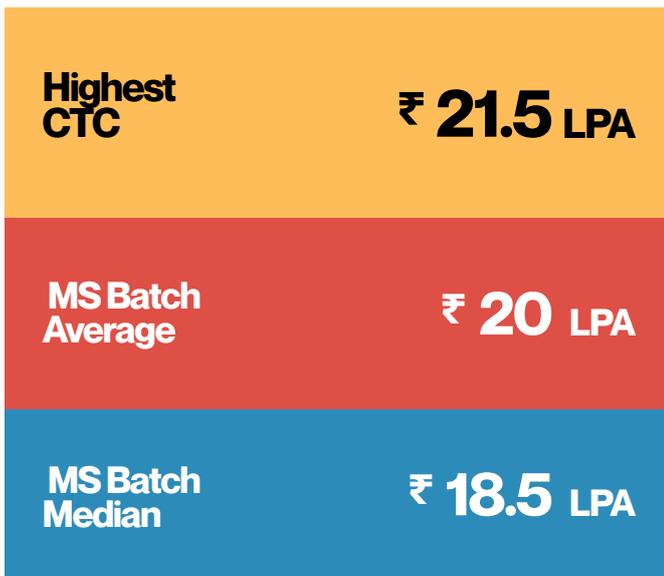

Our MS-PhD and Tech MBA batches continue to impress as well, with top-tier salaries that reflect their exceptional talent and preparation.

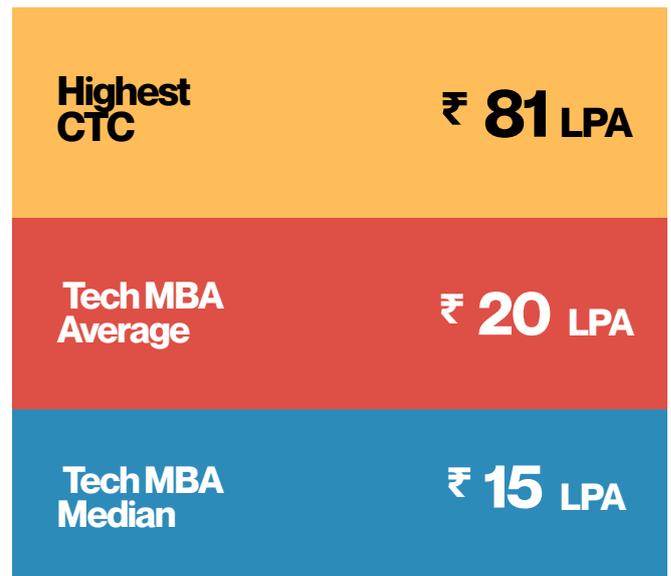

IIT Madras' MS and PhD programs consistently deliver market-ready talent with analytical depth and practical business acumen. Graduates command competitive packages that reflect our rigorous selection and training process.

Our specialized curriculum bridges IIT Madras' cutting edge technical education with management fundamentals, producing graduates who speak both languages fluently. And our numbers in 2025 serve as a validation.
