Department of Management Studies, IIT Madras is pleased to announce the completion of a highly successful placement season for its MBA and TechMBA students.

The Summer Internship placement process was conducted from September 2022 onwards and witnessed a large pool of companies recruiting for a wide variety of profiles from the campus. The recruiters were overwhelmed with the program's quality and the participating students' skill sets. The placement process received active participation from companies across all domains, ensuring more choices for the candidates to pursue careers in the field of their preferences.

We express our sincere gratitude to our renowned regular as well as first-time recruiters for having shown faith in DoMS, IIT Madras. We wish our students immense success in their upcoming careers.

## Placement Manager

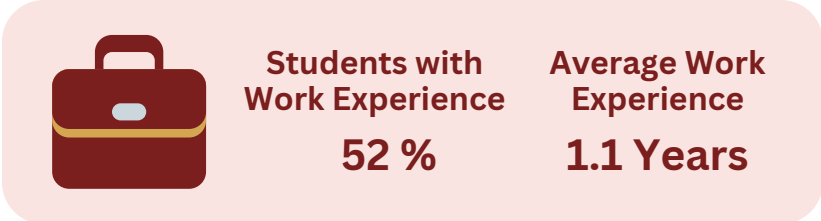

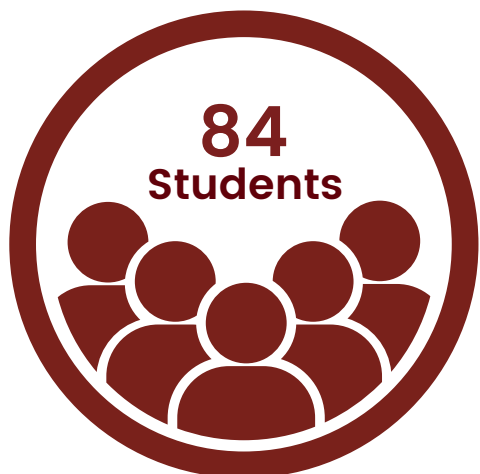

“

We are thankful to the new recruiters along with our regular recruiters for strengthening their existing long-term ties with the department. We aim to continue the growth in the years to come and provide our students with breakthroughs to their great success.
